

## CampExperience™ Network and Mile High United Way **Kindness Community Kits**

In 2020 we celebrate the 15th Anniversary of the CampExperience™ Network. Our very special Acts of Kindness project is to join with Mile High United Way to fund Kindness Community Kits for MSU Denver students and women experiencing homelessness. We are

recruiting donations of \$15 per kit, \$150 for 10 kits and \$1,500 for 1,000 kits. Our goal is to have 600 kits funded before the end of the September 18-20 Fall Retreat.

After the Fall Retreat, Camp Sisters and friends will gather to build the kits that will have socks from the Sock It To 'Em Sock campaign, dental supplies from Delta Dental, personal notes penned at the Fall Retreat and other items designed to be supportive and helpful.

Kits will be distributed to MSU Denver students and to our local Mile High United Way's nonprofit partners including The Samaritan House women's shelter.

### **Kindness Community Kit Description**
