INITIATIVE**

**CampExperience
Network**

Do good. Have fun.

Join the Closet Factory and your Sisters from the CampExperience™ Network and recycle your “Duds” to help our community. We are gathering gently used or new clothing, shoes, handbags, and jewelry to be resold at CampExperience™ Network events and with our resale partners. Unsold items will be donated to the Samaritan House to serve those facing homelessness in Denver. We also collect new socks for men, women and children for Sock It To ‘Em Sock Campaign to be distributed to people experiencing homelessness or in need. 100% of the proceeds benefit CampExperience™ Network Charity Partners: Mile High United Way Women United and Sock It To ‘Em Sock Campaign.
